## **ANNEXURE**

### **NOTIFICATION.**

WHEREAS it is noticed that a large number of unapproved layouts and sub-divisions have been developed all over the State in both urban and rural areas without adequate infrastructure and public amenities and most of the plots in such layouts and sub-divisions have been purchased by poor and innocent people and there is no way to convert these layouts and sub-divisions or plots back to their original use;

AND WHEREAS it is expedient to regularise the plots in such unapproved layouts or sub-divisions so as to protect the interests of those innocent purchasers and to provide basic infrastructure facilities;

AND WHEREAS it is also observed that regularisation of sold out plots alone without considering the layout or sub-division as a whole will result in discontinuous pockets of development, causing enormous difficulty to the Local Bodies to provide services to the regularised plots in isolation and therefore, it is considered necessary to regularise these unapproved layouts and sub-division in their entirety by insisting to widen the roads, improve circulation, reserve areas for open space and public purpose to the extent feasible in each layout;

NOW THEREFORE, in exercise of the powers conferred by section 113 of the Tamil Nadu Town and Country Planning Act, 1971 (Tamil Nadu Act 35 of 1972), the Governor of Tamil Nadu hereby exempts all unapproved layouts, where any or all plots are sold and registered on or before the 20<sup>th</sup> October 2016 and all unapproved plots which are sold and registered on or before the 20<sup>th</sup> October 2016 from the operation of all the provisions of the Tamil Nadu Town and Country Planning Act, 1971 (Tamil Nadu Act 35 of 1972) and makes the following rules for regularization of such unauthorized layouts and plots under section 122 of the said Act.
